WASI APIs are mostly there

Wasmtime's September release will ship with WASI 0.3 APIs

Jco is making good progress

Jco is making good progress

- 46/69 components compiling

WASI APIs are mostly there

- wasi:http body signature changes
- rename functions in wasi:cli

Jco is making good progress

- 46/69 components compiling
- (Wast) testing has started

WASI APIs are mostly there

- wasi:http body signature changes

We are on track for November

[Handing it over to Luke]
